

## Privacy Policy

In liaising with volunteers and members we may collect personal contact details or other private data. We will maintain this database securely and use this information only for:

1. Contacting you regarding workdays, events and related notifications.
2. Providing information about other local activities and initiatives that we think you may be interested in.
3. Checking on our records and making sure you want to continue receiving information.

Should you wish at any time to withdraw consent for us holding this information, you are welcome to contact the Association through one of the committee or by emailing the address below, stating that you wish us to remove the relevant data.
